

How to Guides – Filming Live Performances & Sport

ACTION PLAN

- [] 1. Film a shot of the outside of the School Hall or Theatre (this could be people walking into the hall or just the building)
- [] 2. Get to the performance early and get as close to the stage as possible
- [] 3. Before the show starts get a few shots of the audience
- [] 4. Film your child's performance, making sure that you only zoom in as much as you need to and that you keep your shot as still as possible
- [] 5. If you can, use a telephoto lens and shotgun mic like the Rode Mic VideoMe
- [] 6. After the performance do a little interview with your child. You can ask them the following questions:
 - What was your favourite part?
 - Where you nervous?
- [] 7. Edit your Family Video Story of the performance. And start your edit on a slide that shows the date and the name of the performance.
